

Kilobyte Magazine 2019 – 2

- discover
The art of floppy disk sleeves: presenting the nicest disk covers
- not so floppy
Combining art and gaming history, these wooden floppies look great
- a new zealand story
Atari clone systems are pretty common – unless they are not: The SilverStar is quite rare and seems to be exclusive to New Zealand
- happy collecting
Why collecting retro stuff feels so good and why it's almost addictive
- still on tape
Where are new cassette players manufactured?
- game on
 - Hanse (C64)
 - Alpharay (Plus/4)
 - Mancave (C64)
 - Run Demon Run (C64)

- Nebs 'n Debs (NES)
- Mirco Mages (NES)
